

Today, the SSC Routine 2024 has been released. The Secondary School Certificate and its equivalent exam is an important public exam in Bangladesh. Currently, the first public examination in Bangladesh is the SSC and equivalent examination. A maximum number of students appeared in this exam. The Ministry of Education has already announced that this year the SSC and equivalent exams will start from 15 February 2024. SSC Routine 2024 PDF has been released today in continuation of that. The published routine will apply to nine general education boards. At the same time, the [SSC equivalent exam routine](#) has been released. An equivalent examination routine will be applicable for the Bangladesh Madrasa Education Board and Bangladesh Technical Education Board.
